

8 November 1974

MEMORANDUM FOR: Director of Medical Services

SUBJECT : Suggested Schedule for [REDACTED]

25X1A

25X1A As discussed, the following order for indoctrination of [REDACTED] seems reasonable:

25X1A 1. SPD - with briefings by [REDACTED] 25X1A  
25X1A [REDACTED] allowing for several days.

2. CD - several days actually spent in CD.

3. PS - which I believe should be more of a briefing-type orientation.

4. FSS - which could include several days spent with the staff.

5. ExO and SD - briefings on their activities.

6. MSDO - briefings on all aspects of the Information Processing System.

7. Registrar - briefings on activities of that office.

8. PSS - briefings at PSS offices on their various activities.

25X1A In addition to the above, it would appear profitable for [REDACTED] to attend a Clinical Review Board and the 4 p.m. clinical meetings. I would suggest some thought might be given to his attendance at the RMO conferences in East Asia and Europe.

[REDACTED] 25X1A

Deputy Director of Medical Services
